

CyntrX[®] Fleet Management Integration for Excede[®] Fleet Tracking, Simplified.

Expand the capabilities of the Excede Lease-Rental Web App with the **powerful fleet management features** of CyntrX.

CyntrX is a cloud-based platform that gives fleet managers the data and tools needed to reduce costs, improve efficiencies and stay compliant. From live vehicle tracking to traffic reporting, CyntrX lets you know the status of your fleet in real-time. And automated alerts mean you can let the CyntrX platform work for you. Compliance? Managed. With user-friendly tools and seamless integrations, everything from HOS to fuel tax reporting is streamlined and simplified.

Take advantage of the CyntrX integration with Excede Lease Rental Web App to have vital telematics data updated in Excede DMS[®], automatically, in real time.
